Located on a quiet street in desirable West Haysboro, this beautifully renovated home offers a flexible layout ideal for downsizers or established families looking for comfort, function, and style. With over 1,100 sq ft above grade and a fully finished basement, the home has been thoughtfully updated throughout. The main level features a spacious open-concept living and dining area filled with natural light, leading into a stylish kitchen complete with stainless steel appliances, custom concrete counters, ample cabinetry, and a large central island—perfect for everyday living or entertaining. Upstairs, the reconfigured floor plan includes two generous bedrooms and two full bathrooms, including a stunning primary suite with dual closets and a spa-inspired ensuite featuring a standalone soaker tub, tiled shower, and private water closet. The lower level is fully developed with a third bedroom, cozy family room, full 3-piece bath, laundry area, and ample storage. The home has undergone extensive updates over the years, including newer windows, furnace, central air conditioning, upgraded electrical panel and plumbing, newer roof, siding, and modern finishes throughout. A major highlight is the newer oversized garage, measuring 25'4" x 21'4", offering ample room for vehicles, storage, or hobbies. The East-facing backyard is private and low maintenance with mature trees and laneway access. Situated close to Glenmore Reservoir, Heritage Park, Rockyview Hospital, multiple schools, LRT, and shopping, this location offers a balance of quiet residential living with excellent urban access. An exceptional opportunity for those seeking a well-appointed, move-in-ready home in a mature inner-city neighbourhood.
