This condo is just steps from the Sunnyside C-Train Station for easy access to downtown, Stampede Park, or the University of Calgary The Annex also offers next-level amenities: a rooftop patio with skyline views, BBQs, dog run, and community garden. There's also bike storage and underground visitor parking. Built by Minto, it's LEED v4 Gold certified - Alberta's first, and an eco-friendly badge of quality This unit is perfect for investors looking to break into the Calgary Airbnb market

or expand their short-term rental portfolio. With Kensington's strong demand, low vacancy, and year-round visitor traffic, you won't find a better setup at this price point.
