Past the front porch and into the entryway, the main floor opens up with 9-foot ceilings and large, bright windows that naturally light the entire space. The neutral tones from the vinyl plank flooring, paint, and wall accents create a peaceful vibe, while thoughtfully selected lighting fixtures add that little extra touch and create an ideal evening atmosphere. The spacious dining area sits adjacent to the stairway, with horizontal railing balusters adding even more architectural flair. The kitchen features two-tone, full-height cabinetry, accented with gold pulls and quartz countertops. There's a touch of tech with the Samsung smart fridge, and you'll be creating your culinary masterpieces on a gas range. Off the kitchen, you'll find mudroom access to the backyard, along with a 2-piece washroom. Upstairs, the primary bedroom continues the trend of large windows and natural light, along with a walk-in closet and a 3-piece ensuite featuring gorgeous tile and wall accents. A convenient second floor laundry room is located just off the primary, and down the hallway you'll find the 4-piece main bathroom with bright, full-height subway tile shower surround. Bedrooms 2 and 3 offer views as far as the eye can see including our breathtaking Rocky Mountains.
