Modern Elegance Meets Family Functionality & Welcome to The Luna by Hopewell Residential Step into The Luna, a beautifully designed home that seamlessly blends modern style with thoughtful, family-friendly features. At the heart of the home is a chef-inspired kitchen, complete with ceiling-height wood cabinetry, white quartz countertops, classic subway tile backsplash, and an upgraded appliance package including a built-in oven, microwave, and sleek countertop stove & perfect for everyday meals or elegant entertaining. Abundant natural light pours in through south-facing windows, creating a bright and inviting main living space anchored by a cozy central gas fireplace. The open dining area offers direct access to the backyard, making indoor-outdoor gatherings effortless. A rare main floor bedroom with a full 3-piece bath offers flexibility & ideal for guests, multigenerational living, a nanny suite, or a private home office. Upstairs, enjoy a spacious entertainment room, a luxurious primary suite with a walk-in closet and 5-piece ensuite, and two additional bedrooms sharing a second 5-piece bathroom. A separate side entrance and 9-foot basement ceilings open the door to future development potential & think secondary suite, rental income, or extended family living (subject to municipal approval and permits). This is more than a home & it’s a lifestyle opportunity. Discover the versatility and elegance of The Luna. Book your private tour today!
