Beautiful townhome in the exceptional University District. This lovely home is a quiet inside unit that ideally faces south onto a very well managed courtyard. High end finishes throughout this comfortable space including the kitchen with Bosch appliances. plenty of cabinet storage, and counter space. Generous dining/living areas and a 2pc bath fill out the main level. The upper level features 2 excellent bedrooms. The primary bedrooms bath has dual sinks and a large shower + a walk-in closet. The 2nd bedroom is well sized and has a 4pc bath. The lowest level of this fine home is fully above grade. It has tandem attached garage and extra storage. If you valued a bonus room over a 2nd park space, the front of the garage is set up to be enclosed (this was a builder either/or). University District offers an ideal lifestyle as all amenities are a short walk, Market Mall is within 2 blocks, and the location is central.
