Beautifully situated on a quiet close, you'll love the mature landscaping as you approach the entry to this home. The spacious tiled entry gives way to views of the gleaming hardwood on the main floor. The living room features a vaulted ceiling and large windows, both providing an open feeling. The kitchen is equally high quality with granite countertops, a day desk, an island, gas range, and even water to the fridge! The dining area is well sized and includes a handy corner tv. Off the dining area is a huge covered deck that has blinds on all sides creating a special space, and a retractable canopy for inclement weather. There is a gas hook up for convenient BBQing. You get a sense of the amazing back yard out of these windows and from the deck. The Primary bedroom faces the back yard and is very spacious, with double closet and a 3 pc ensuite. As well on this level there is a second well sized bedroom and a large 4 pc bath. Hardwood extends throughout the main floor and bedrooms, the granite continues in the bathrooms, updated to perfection. Back to the large entry where you have access to the attached heated garage, you continue down the stairs to a huge family room warmed with a gas stove.
