Open House Saturday, September 6th 2-4pmWelcome to a home that blends comfort, character, and an unbeatable Lake Bonavista lifestyle — where families enjoy year-round lake access, top-rated schools, and a welcoming sense of community. Close to 1800 sq. ft. of living space, this thoughtfully designed two-storey has room for everyone to gather, grow, and make lasting memories. Step into a sun-filled living and dining area where soaring 12-foot vaulted ceilings and 18-linear feet of windows create a warm, inviting space for family celebrations or cozy evenings at home. The kitchen is designed for both everyday living and effortless entertaining, featuring a mosaic tile backsplash, stainless steel appliances, under-cabinet lighting, a pantry with roll-out drawer, lazy susan, and five additional drawers — everything a busy household needs. A window over the sink, replaced in 2005, frames views of the backyard. Just off the kitchen, the family room offers a perfect place to unwind, complete with a gas insert in the classic brick fireplace surround, wood wall paneling, and updated carpet and underlay (2018). Sliding patio doors lead to a private concrete patio with a gas line for your BBQ — the perfect setting for family dinners under the stars. A convenient two-piece bathroom off the garage entry keeps everyday routines simple. Upstairs, four bedrooms with hardwood flooring provide comfortable retreats for the whole family. The primary suite is a peaceful escape with two closets and an ensuite featuring a make-up counter, sink, private water closet, and shower. A double linen closet, a bedroom with double doors, and windows replaced in 2005 add practical touches. The fully developed basement extends your living space with a wood-burning fireplace, three-piece bathroom, laundry, storage, and versatile rooms — including one with a

closet that needs a window to be a legal bedroom. Outside, a brick and stucco exterior pairs with mature evergreens for privacy and a charming crab apple tree. The roof was replaced in 2019, the fence is new as of 2020, and exterior lighting has been updated. A double attached garage, and an extra front parking pad complete this wonderful family home. An unbeatable location steps to the Promenade for groceries, shops & restaurants with medical facilities adjacent. This is your chance to create a lifetime of memories in Lake Bonavista — where neighbours become friends, and every season brings something to enjoy.
