The heated garage is a true perk during our chilly Calgary winters—no more cold starts in the morning! The exterior is just as impressive. Mature trees, fruit trees, and a landscaped yard provide both beauty and privacy, while the covered deck with skylights creates the perfect outdoor retreat—whether you’re enjoying a quiet coffee, reading a book, or hosting friends rain or shine. Additional features include a spacious and functional crawl space for storage, and a relaxing sauna (yes, it’s included!). Recent upgrades will give you peace of mind: new windows (2015) furnace replaced (2017), hot water tank (2021), dishwasher (2022), and a brand new stove (2024). Even better—the seller is replacing all Poly-B plumbing prior to possession, with work scheduled for September 27th.
