Sought After Silvertip Location Welcome to this incredibly quiet and sun-filled home, perfectly positioned to take full advantage of its South exposure and breathtaking mountain views. Nearly 3,400 SF, impeccably maintained inside and out, it offers a rare combination of privacy, natural light, and functional design. The main living area is highlighted by soaring 18-foot ceilings, creating an open and airy atmosphere that feels both spacious and inviting. With 4 comfortable bedrooms and a versatile loft that works beautifully as a home office or flex space, this home adapts easily to family life, work, and entertaining. Step outside to enjoy peaceful green space directly out back, perfect for relaxing or connecting with nature. A large two-car garage adds everyday convenience, while the thoughtful layout ensures comfort and practicality throughout. This is more than a house — it’s a well-designed retreat where sunshine, views, and tranquility come together seamlessly.
