MULTI-GENERATIONAL LIVING/INCOME POTENTIAL! The Nolita II offers 2,637ft² of well-appointed living space. The main floor features a master bedroom with ensuite, an open concept living area that includes a great room, kitchen, and living room, as well as a generous mudroom. The upper floor includes two additional bedrooms, the main bath, and a spacious bonus room. The fully developed basement of this home includes a finished recreation room and full bathroom for the main house plus a complete 1-bedroom legal suite with a separate entrance. The property also includes a detached triple garage with a 2-bedroom fully finished garden suite above. (legal Suites can be redesigned to make the home 'single-family' living.) As a Custom Concepts Personalized Home this home offers the perfect balance of convenience and customization, allowing you to jump-start the build process by approximately six months. The initial design, permitting, foundation, and framing are already completed, so you can begin personalizing at the rough-in stage. If you're looking for a quicker build process and a faster move-in date with the added benefit of tailoring your home to your design preferences, our Personalized Homes might be the perfect choice for you.
