Welcome to this move-in-ready two-storey in the highly sought-after Vanier East subdivision. This well-built home offers tremendous space, thoughtful design, and exceptional functionality for families, professionals, and entertainers alike. The sunny main floor features rich hardwood flooring and granite countertops within a warm, inviting open-concept layout. The generously sized gourmet kitchen provides ample usable space, a practical and accommodating design, and seamless flow into the dining and living areas—perfectly suited for everyday living or hosting guests. A private office, welcoming foyer, convenient mudroom, and 2-piece bath add flexibility and convenience. Upstairs offers four sizable bedrooms, including a spacious primary suite with walk-in closet and private ensuite. A large bonus room creates additional living space ideal for relaxation, work, or play, while upper-floor laundry enhances everyday efficiency. The fully developed walkout basement expands the home’s versatility with an additional bedroom, full bathroom, second laundry area, and a professionally designed media room complete with installed speakers and subwoofers—delivering an unforgettable entertainment experience. Step outside to the durable composite deck overlooking a peaceful backyard—ideal for al-fresco dining or quiet evenings. The extended concrete driveway, double attached garage, and two sheds provide ample parking and storage solutions. Additional upgrades include high-end appliances, an on-demand hot water system, water softener, humidifier, and HRV unit—enhancing comfort, efficiency, and year-round air quality. Located in a prime, family-friendly neighbourhood close to parks, schools, and amenities, this striking and beautifully cared-for home offers space, comfort, and lifestyle appeal that truly stands out.
