Nestled on a quiet cul-de-sac and offering nearly 4,000 sq ft of beautifully developed living space, this exceptional home is just a short stroll to the breathtaking Fish Creek Provincial Park. From the moment you step inside, the marble-tiled entry sets a tone of timeless elegance, flowing into formal living and dining rooms that are perfect for entertaining. The heart of the home is a chef-inspired kitchen featuring quartz countertops, a multi-level island, ample cupboard space, a walk-in pantry, and a cozy nook, all overlooking a stunning family room with soaring ceilings, custom built-ins, and curated spaces for artwork. The main floor is thoughtfully designed with a private office, convenient laundry, and rich hardwood flooring that continues up the stairs and throughout the upper level. Upstairs, the spacious primary retreat offers a quiet reading area, a luxurious five-piece ensuite with dual sinks and a soaker tub, plus two additional generously sized bedrooms. A bright, sun-filled landing overlooks the family room below, creating an open and airy feel throughout. The fully developed basement expands your living space with a fourth bedroom complete with its own 3-piece ensuite, a recreation room, a dedicated home gym area, and wine storage. Recent upgrades include newer windows (majority 2023), updated dual furnaces (2007), hot water tank (Oct 2025), central air conditioning (2022), water softener, and a filtration system—providing comfort and peace of mind. Step outside to your own private oasis: a sunny south-facing backyard with a two-tiered deck, perfect for summer BBQs, surrounded by mature trees for added privacy. All this, just minutes from Fish Creek Park, shopping, and the LRT for an easy downtown commute.
