Out back, your private yard and already-built deck step in when the weather cooperates - Hello Spring! It's a layout that's easy to live in, easy to furnish, and easy to keep up with. The SUNSHINE BASEMENT adds flexibility without feeling like an afterthought. Bigger windows bring in natural light, while a SEPARATE SIDE ENTRY, 200-AMP service, and bathroom rough-in give you options down the road—whether that's a gym, media space, or a spot for guests or teenagers who want a little independence. And the practical pieces are already done. A 20' x 20' DOUBLE DETACHED GARAGE is built and ready, the rear deck is in place, and there's a BBQ gas line roughed in so you're not starting from scratch.
