Is there a 4-bed detached home in Walden that blends luxury finishes with family functionality? Welcome to 204 Walden Landing, offering over 2600 square feet of thoughtfully designed living space, a fully finished basement, and a west-facing backyard built for entertaining, all set on an oversized corner lot in a highly desirable community. Step through the front entrance and you are immediately welcomed by a refined yet functional layout, featuring a formal dining room and a private office that creates the perfect balance for both entertaining and working from home. As you move into the heart of the home, the space opens dramatically, going from 9-foot ceilings throughout the home, to 12-foot ceilings and floor-to-ceiling windows that flood the main living area with natural light. The kitchen is anchored by an oversized quartz island, complemented by stainless steel appliances and a generous walk-through pantry, all seamlessly connected to the living and dining areas for effortless flow. Upstairs, the home continues to impress with a versatile bonus room that can easily be converted into a fourth bedroom if needed. Two additional well-sized bedrooms provide comfort and flexibility, while the primary suite offers a true retreat with a spacious walk-in closet and a 5-piece ensuite designed for relaxation. The fully finished basement expands your living space even further, featuring a wet bar and built-in elements that make it ideal for movie nights, entertaining, or hosting guests. Outside, the oversized corner lot enhances both space and privacy, while the west-facing backyard captures afternoon and evening sun. A patio with a full bar setup creates the ultimate setting for outdoor gatherings, and a poured concrete pad is already in place, ready for a future hot tub. Located in the community of Walden, this home is close to schools, shopping, parks, and transit, making it an exceptional

fit for both growing and established families.
