If you are looking for a very open floor plan you will love this apartment condo! There are two bedrooms including the Primary with a 3 piece en suite. The second bedroom is right next to another 4 piece bathroom for kids, guests or even a roommate. The kitchen is spacious and has lots of cupboards for storage and features beautiful stainless steel appliances. If your entertaining, the dining area can accommodate a large table! As an added bonus, there is a dedicated den/office space, next to the in suite laundry that is currently being used as a pantry. Gorgeous vinyl plank flooring is prevalent throughout the majority of the main floor so there is no carpet if you have allergies. Other standouts of this home include FRESH PAINT, 9 foot knock down stipple ceilings, in floor heating, a high powered vented hood fan, heated underground parking, separate storage locker located on the second floor and a private back patio. Enjoy being close to a playground, public transportation and shopping. An excellent first time or investment home with lower condo fees that include heat, water and sewer.
