Welcome to the kind of home families wait for. Tucked on a quiet street in Lake Bonavista, where community comes naturally and everything - from parks to the lake is just a short stroll away. Offering over 1800 sq ft above grade, this home delivers the space, warmth, thoughtful layout that growing families rarely find in this area. The bright, open-concept main floor is filled with natural light and anchored by a cozy wood-burning fireplace, creating the perfect space for everyday living and entertaining. Every inch of this home has been intentionally used, with incredible storage throughout and a fully developed basement offering the ultimate kids' playroom or teen hangout space. Step outside to enjoy morning sun in the backyard and evening sun in the front. The low-maintenance front yard and functional backyard offer incredible flexibility, including a gated section ideal for RV parking or additional storage. The paved back alley provides a safe and convenient space for kids to play or ride their bikes, while the mature apple tree adds charm and seasonal beauty. Located on a quiet street with young families, this home is just a short walk to everything—only 3 minutes to a playground, 7 minutes to Lake Bonavista, the shopping centre, grocery store, plus access to excellent childcare options nearby. Extensively updated over the years, including newer furnace and A/C (2023), triple-pane windows, upgraded insulation, and numerous interior improvements, this home is truly move-in ready and has been exceptionally well cared for. A thoughtful added feature, the exterior hot water line makes it easy to rinse off all that sand after lake days or keep the kiddie pool filled on hot summer afternoons. And if somehow all that isn't enough, lake days are yours to enjoy as often as you'd like - just pack up the wagon and walk over. Around here, it's practically a way of

life.
