One of a kind two story executive family home in prime East Elbow Park location offering over 4000 square feet above grade, a total of 5 bedrooms, double attached garage + beautiful sunny west facing backyard. This modernist home features an intriguing layout + expansive principal rooms throughout. The elevated living room showcases soaring ceilings + a striking concrete framed wood-burning fireplace, while the formal dining room provides an impressive space for entertaining. At the front of the home, a comfortable self-contained sitting room/den with sliding glass doors offers a private designated space away from the hub of the house. The chef's kitchen, renovated approximately 10 years ago, is well laid out with professional appliance, an island, abundant storage + overlooks the sunken family room which along with the large informal dining area are filled with natural light from a wall of windows + patio doors that open onto the private west facing backyard complete with deck + mature trees. To complete the main floor there is a cheery laundry room with added storage + an added feature of a main floor bedroom with easy access to a 3-piece bath that adds versatility to the property. Upstairs, four generously sized bedrooms are all ensuited. The primary suite is a standout with a floating concrete + cherry wall, an efficient closet system, a well-appointed ensuite + its own private office space. The exterior offers strong contemporary curb appeal with newer finishes completed in 2024 + a welcoming glass entry. Additional features include a double heated attached garage with epoxy flooring, large mudroom with extra storage, developed lower level (renovated in 2024) + newer rear windows. Ideally located on a very quiet street that is within walking distance to all levels of schools, 4th Street shopping, the pathway system + the Glencoe Club.

A rare opportunity to own a distinctive architectural home in one of Calgary's most sought-after neighborhoods.
