A FLOOR PLAN DESIGNED FOR REAL LIFE: As condos across the city trend smaller and smaller condo 5011 is a breath of fresh air! Offering nearly 950 SqFt of refined, open concept living space, 2 bedrooms (both with ensuites) and 10' ceilings this is a full-size home! The open, great room-style living area is anchored by the large, upgraded kitchen while the living/dining area easily accommodates your furnishings and offers options for furniture placement depending on your needs/lifestyle. The large patio becomes an extension of your living space in the warmer months and is the ideal place to sit with a coffee and take in the amazing views. THE MOST SOUGHT-AFTER LOCATION IN THE COMPLEX: Typically, in newer Calgary suburbs the prime walkout lots are reserved for estate-level detached homes and million-dollar budgets. Not the case here, Sage Hill Park II has secured one of the best locations in the community with Condo 5011 backing directly onto the nature reserve and ponds with no neighbours behind, aside from the occasional wildlife visitor. 4.
