Location, Location, Location! Ideally situated close to parks, walking paths, Co-Op, public transportation, and a variety of restaurants, and within walking distance to Evanston Heights School, this beautiful two-storey Broadview home offers exceptional convenience with quick access to Stoney Trail and Deerfoot Trail. Step inside to a spacious foyer open to above, creating an immediate sense of space and a true wow factor. The main floor features brand new vinyl plank flooring throughout and 9-foot ceilings, enhancing the open-concept design. The kitchen is perfectly positioned to overlook the dining area and great room, and boasts granite countertops, stainless steel appliances, a large island with eating bar, ample cabinetry, and a convenient walk-through pantry. The bright dining area leads to a sunny, south-facing backyard complete with a large deck—fully fenced. The great room offers high ceilings, large windows for abundant natural light, and a cozy gas fireplace. A convenient half bath and a functional back mudroom with laundry complete the main level. The double attached garage is insulated, drywalled, and includes an electric opener. Upstairs, you’ll find three generously sized bedrooms, including a spacious master bedroom featuring a 4-piece ensuite and a large walk-in closet. Two additional bedrooms offer excellent space and storage, along with another full 4-piece bathroom. A bright bonus room with Vaulted ceiling and large windows provides more living space and plenty of light. (Carpet upstairs was replaced approximately 2 years ago.) The undeveloped basement is ready for your personal touch and future development. Recent upgrades include roof and siding (2024–2025), Central air conditioning and hot water tank (approx. 5 years old), Updated light fixtures, newer dishwasher, washer, and dryer replaced 5 years ago.

New flooring less than 2 years ago. This well-maintained home offers space, style, and an unbeatable location—don’t miss your opportunity to view!
