Welcome to 49 Bluerock Hill SW — the Kindle model by Calbridge Homes, nestled in Calgary's vibrant new community of Alpine Park. Thoughtfully designed for modern living, this Net Zero Ready home goes beyond a typical Calbridge build with a range of upgraded performance features: precast foundation, continuous exterior insulation above grade, below-slab insulation, cellulose attic insulation, and a high-efficiency Gradient system combining heating and hot water in one streamlined unit. Additional highlights include triple-pane black laminate windows, A/C, solar rough-in readiness, and a detached 20x22 garage — all included. Set within one of Calgary's most exciting new communities, with parks, pathways, and future amenities nearby, this is a stylish, future-focused home built for long-term comfort and efficiency.
