Welcome to 111 West Springs Way SW. Located in the popular area of West Springs, this updated 4 bdrm 4 bath home offers over 2650 sq ft of living space. Amazing curb appeal with the treed front yard and impressive full width front porch. Step inside and a spacious foyer with custom tiled floor greets you. The main floor features 9 foot ceilings, a convenient front office, an amazing island kitchen featuring granite countertops, custom ceiling height cabinets with cabinet lighting, newer stainless steel appliances, including a convection oven, glass block back splash and a corner pantry. The kitchen is open to the living room with a corner gas fire place and built-in cabinets. There is a privacy door off the kitchen leading to the large dining room that has room for the whole family. A very useful mudroom and 2 piece powder room finish off this floor. The second floor features the delightful primary bedroom with gorgeous hardwood floors, a sitting area and a 5 piece spa like ensuite with heated floors that is to die for! Two more good sized bedrooms and a updated 4 piece bath, also with heated floors, round out this floor. The lower level is developed with a recreation room, a large bedroom with new egress window, a 3 piece bathroom, an office and a craft room with work bench. Garden doors lead out the the fabulous treed SW facing back yard with a two tiered deck to enjoy your favorite beverage on, raised planters with waters, vinyl fencing and a two car detached garage with wood storage shelving. Some of the upgrades and updates include, there are too many to list, built-in speakers in most rooms, central air conditioning, triple pane windows on upper level and basement, Hunter Douglas blinds, central vacuum, water softener, Newer Furnace (2022) , hot tub rough-in, oversize hot water tank and much more. This home is in an ideal location with schools, parks, shopping, and

public transportation close by. Come have a look you won't be disappointed.
