Welcome to this beautiful 2-storey home located in the highly desirable community of Evergreen — offering a fantastic location, functional open-concept layout, and incredible future upgrade potential. Perfect for growing families, this spacious home features 5 bedrooms in total, including 3 upstairs and 2 additional bedrooms in the fully developed basement, along with 3.5 bathrooms. The bright and open main floor showcases gleaming hardwood flooring, a spacious family room with a cozy gas fireplace, and a well-designed kitchen with a breakfast nook area — ideal for both everyday living and entertaining. The kitchen and all bathrooms have been upgraded with newer 3cm quartz countertops, adding a modern and elegant touch throughout the home. Upstairs, you’ll find a large bonus room above the garage, providing flexible space for a family lounge, home office, or kids’ playroom. Outside, enjoy the fully fenced east-facing backyard complete with a 10x12 deck, perfect for summer BBQs and family gatherings. Conveniently located within walking distance to schools, shopping, public transit, and just a 5-minute drive to the C-Train station, this home offers both comfort and accessibility in one of Calgary’s most sought-after communities.
