Rare Banff Investment Opportunity – Licensed Inn with Two Cabins located downtown. An exceptional opportunity to acquire an Inn-licensed properties in Banff, offering a truly unique investment in the heart of one of Canada's most iconic mountain destinations. Ideally located in downtown Banff, this established hospitality property provides excellent access to the shops, restaurants, attractions and amenities that draw millions of visitors to Banff National Park each year. The property includes the main Inn along with two separate cabins, providing a distinctive accommodation offering and additional flexibility for guests. With Inn licensing extremely limited in Banff, opportunities of this nature rarely become available.
