A 3000 square foot A-frame dream home sitting on 160 acres of farmland and forest. The simple but elegant second home is a true bonus that can be used for farm hands, rental revenue, family members or a guest house. A heated shop and a livestock barn. The quarter is fenced and mostly cleared. The main home was built for a bustling family with a large footprint and many amenities. 5 bedrooms - 4 washrooms and 3 family/living rooms. The kitchen is an entertainers dream with a walk in pantry and central island. A deck on the east and west side of the home giving you the choice of sunshine or shade. An additional adjoining quarter of land is available - inquire for more information. Call, text or email today to book your personalised showing.
