Welcome to The Denali 7 – a stunning home with exceptional design and modern finishes. The executive kitchen features built-in stainless-steel appliances, a waterfall island, a chimney hood fan, and a walk-in pantry. The main floor includes a bedroom and full bathroom, and an electric fireplace with wall tile that adds a touch of elegance. Upstairs, relax in the vaulted ceiling bonus room, and enjoy a spacious 5-piece ensuite with dual sinks, a soaker tub, and walk-in shower with tiled walls. The home features LVP flooring throughout the main floor and wet areas, along with a convenient gas line rough-in for your deck BBQ. A standout feature is the fully-equipped basement development rough-in – perfect for future potential development. Plus, the side entrance offers easy access, making this an ideal setup for potential future development. Photos are representative.
