Air conditioner for the top floor

An incredible opportunity to own a stunning home in Glacier Ridge, a vibrant NorthWest (NW) community with parks and playgrounds. This spacious home with over 50K in upgrades is designed for comfort and efficiency, featuring two high-efficiency furnaces with MERV 13 filters, integrated humidifiers and UVC air purification, air conditioning for the top floor, a 6-solar-panel system, triple-pane windows, a Navien tankless water heater, Hunter Douglas window coverings and a 2-car garage with an EV charging outlet. The gourmet kitchen boasts a 9-ft ceiling, quartz countertops, built-in stainless steel appliances, a large island, and a walk-in pantry. The open-concept main floor includes a foyer with a walk-in closet, mudroom, flex room, half-bath, and sunlit living/dining areas. Upstairs, the primary suite offers a spa-like ensuite with his-and-her spaces and the walk-in closets. You’ll also find two additional bedrooms, a full bath, a bonus room, and a spacious laundry with a separate walk-in linen closet. Additional perks include a side entrance, 12x10 deck with a BBQ gas line, and basement rough-in plumbing.
